

**MEMORANDUM OF UNDERSTANDING
BETWEEN
HUE UNIVERSITY OF AGRICULTURE AND FORESTRY, VIETNAM
AND
COLLEGE OF BIOSCIENCE AND BIOTECHNOLOGY, CHUBU UNIVERSITY, JAPAN**

Hue University of Agriculture and Forestry, Vietnam and College of Bioscience and Biotechnology, Chubu University, Japan seek to enhance bilateral relationships between the two institutions by interchanges in cultural, academic, research, teaching and other activities.

Within the framework of the regulations related to each institution, and subject to the availability of resources, the following programs and activities will be encouraged:

- 1) Exchange of experience in the development of progressive educational methods and support for the mutual exchange of scientists, instructors, and students;
- 2) Facilitation of scientific cooperation in areas of common interest;
- 3) Joint research proposal development and implementation;
- 4) Conduct of regular consultative professional workshops, conferences, and forums.

The specific areas and details of the cooperation within the framework of this agreement shall be discussed and agreed upon in writing by the appropriate authorities of each university, prior to the initiation of any particular program or activity.

All visits of staff and the admission of students will be subject to compliance of the entry and visa requirements of the two countries involved, and the requirements of the two universities.

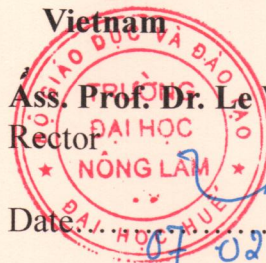

The agreement shall become effective from the date of the last signature on this document, and remain in force for a period of five years, with the understanding that it may be terminated by either party by giving six-month notice to the other party in writing. The agreement may be extended by mutual consent of the two institutions, or be amended by an exchange of letters.
